

Configuring EZOfficeInventory

Configuring EZOfficeInventory for single sign-on (SSO) enables administrators to manage users of Citrix ADC. Users can securely log on to EZOfficeInventory by using the enterprise credentials.

Prerequisite

Browser Requirements: Internet Explorer 11 and above

To configure EZOfficeInventory for SSO by using SAML:

1. In a browser, type <https://www.ezofficeinventory.com/> and press **Enter**.
2. Type your EZOfficeInventory admin email address and click **Continue**.

4. In the top-right corner, click the user name and select **Settings** from the drop-down menu.

- In the **Settings** page, click the **Add Ons** tab.

- Scroll down and enter the values for the following fields in **SAML Integration**:

Field Name	Description
Enabled/Disabled	Select the Enabled radio button.
Identity Provider URL	IdP URL
Identity Provider Certificate	Copy and paste the IdP certificate. The IdP certificate must begin and end with -----Begin Certificate----- and -----End Certificate----- Note: The IdP Certificate is provided by Citrix and can be accessed from the link below: https://ssb4.mgmt.netscalergatewaydev.net/idp/saml/templatetest/idp_metadata.xml
Login Button Text	Citrix Note: This field is optional.
Clock Drift (seconds)	0
First Name	First name of user
Last Name	Last name of user
Email	Email address of user
EZOfficeInventory Role By default	Select Administrator from the drop-down list.

SAML Integration PLATINUM

Enabling Security Assertion Markup Language(SAML) enables your organization to sign in via a unified URL. Learn more about our [SAML integration](#). Please note that it is necessary for a SAML(2.0) identity provider to be present. A list of identity providers can be found [here](#).

To whitelist our IPs on your Directory server, use the following two IPs:

1. 54.221.243.145
2. 50.16.201.234

The EZOfficeInventory Entity ID is:
`https://www.ezofficeinventory.com`

The EZOfficeInventory consumer service url is:
`https://[redacted].ezofficeinventory.com/users/auth/saml/callback`

Your EZOfficeInventory metadata can be viewed here:
`https://[redacted].ezofficeinventory.com/users/auth/saml/metadata`
