

# Configuring Status Hero

Configuring Status Hero for single sign-on (SSO) enables administrators to manage users of Citrix ADC. Users can securely log on to Status Hero by using the enterprise credentials.

## Prerequisite

Browser Requirements: Internet Explorer 11 and above

## To configure Status Hero for SSO by using SAML:

1. In a browser, type <https://statushero.com/> and press **Enter**.
2. Type your Status Hero admin account credentials (**Email** and **Password**) and click **Go**.

Hey there! Welcome back.
